STUDENT ENROLMENT - ADDITIONAL DETAILS FORM

Please complete the *Student Enrolment - Additional Details Form* and return it to the school to enable your child's enrolment records to be updated.

Why the information is needed

All schools in Australia are required to collect some additional background information on students as part of national reporting arrangements aimed at providing a fairer education system for all children, regardless of background. This information is collected by schools in a uniform way across the country.

The information collected will not be used to identify individual students, it will be used to better understand how background factors may affect student educational levels, and help in developing policies to better assist those children not meeting expected standards.

While it is not a legal requirement to provide all of the details requested in this form, the information is sought to enable the Department to:

- Collect necessary statistical information and undertake analysis of the composition and performance of the student population;
