# STUDENT CODE OF CONDUCT

## Introduction

At Divine Mercy College, our Student Code of Conduct reflects our commitment to fostering a community grounded in faith, respect, and personal integrity. Guided by our Catholic values, vision, and mission, we strive to nurture a learning environment where each student feels safe, respected, and inspired to grow academically, socially, and spiritually. Our faith calls us to treat one another with compassion, kindness, and dignity, while our mission compels us to support students in achieving their highest potential. This Code of Conduct serves as a foundation for respectful interactions, personal responsibility, and positive behavior, empowering students to embody the values of our community and become responsible, engaged members of society.

## Scope

This policy applies to all DMC students and extends to all areas where students interact within the school community, covering both on-campus and school related off-campus activities. It includes:

- 1) On-school Premises: the Code of Conduct applies at all times when students are on school grounds, including classrooms, libraries, laboratories, recreational areas, and common areas. It covers interactions with all school personnel, fellow students, and visitors, ensuring respectful and safe behaviour in all areas.
- 2) Online conduct: students' online behaviour, particularly when using school-provided technology and online resources. It includes interactions on the school's digital platforms, emails, and any virtual learning environments, emphasizing respectful and responsible use of technology.
- 3) Travel to and From School: The code covers behavior when students are traveling to and from school, including on school buses and in public spaces where they are identifiable as Divine Mercy College students (such as when in uniform). Expectations for respectful and safe behaviour apply in public areas where students represent the school.
- 4) Social Media and Digital Interactions: Any digital behaviour or interaction, even off-campus that has an impact on the school community, including cyberbullying or the inappropriate use of social media is within the code's scope. This applies when the online behaviour affects the well-being or safety of other students or staff or the reputation of the school.

## **Student Rights**

- To feel safe and respected

### Reporting Behaviour

- If you witness or experience any behaviour that makes you or others feel unsafe, disrespected, or uncomfortable, it is important to report it to a teacher, staff, or school administrator so that appropriate action can be taken to maintain a safe and supportive school environment.

### Breach

As a member of Divine Mercy College, students hold a representative position of trust and are accountable for their actions. The consequences for a student breaching this Code of Conduct will be determined at the discretion of the Principal and/or Coordinator for that year group. This may result in a student receiving a sanction such as a red card, detention, suspension, exclusion (i.e., activity, program, excursion, trip, camp, tour) and/or termination of enrolment. Other relevant policies may be referred to in such cases.

Students and/or parents/guardians will be allowed to appeal the outcome.

In accordance with the applicable legislation and the School's Child Protection Policy, any unlawful breaches of this Student Code will be reported to the Policy and/or the Department for Child Protection and Family Support.
